Professional Experience

MissionSquare Retirement, Washington D.C.
Senior Engineer Infrastructure Configuration | Jan 2016 – May 23, 2025

• 9+ years managing Tenable, ServiceNow, and Active Directory GPOs for WIN DC's.
• Led nine enterprise technologies as a PMP "no cert" with 100% compliance alignment to CIS, NIST, and STIG frameworks.
• Apple MacOS subject matter expert; partnered with service desk teams to deliver troubleshooting guidance and enterprise hardening aligned with CIS controls.
• Currently pivoting into AI Security & Compliance.

Social Security Administration (SSA) Headquarters – Woodlawn, MD
Security Team Contractor | Feb 1999 – Mar 2014

• 15 years supporting cybersecurity initiatives in federal environments.
• Specialized in Active Directory hardening, vulnerability management, and compliance frameworks (CIS, NIST, STIGs).
• Manager: Rick Freeman.
• Held Public Trust clearance around 2007.
